PROFILE

I am a front-end Designer living in Chennai. I enjoy making designs that are aesthetically pleasing, easy to read, and delightful to use

I believe good design is solving problems, guiding users to have a great experience

EDUCATION

B Tech CSE   2016-2020

SASTRA University, Thanjavur

SKILLS

I have experience working with teams to brainstorm and whiteboard concepts.
I can create wireframes, and enjoy prototyping ideas. I have some front-end coding experience, and enjoy working with devs to build ideas out

Softwares that I'm familiar with:
- Sketch
- Adobe XD
- Figma
- Photoshop
- Illustrator
- InDesign
- After Effects
- HTML & CSS
- Javascript

DESIGN PROJECTS

Guidanz Inc   Dec 2019- Feb 2020

UI Designer Intern

Over the course of this internship, the work has been primarily in the realms of responsive UI design, prototyping and motion graphics.
My core responsibilities were to help the lead designer to create pages, icons and illustrations for the projects

FocuzAR   May 2019- June 2019

Graphic Design Intern

This position helped me to understand the basic concepts of AR and VR and their current trends in the Industry. Also, served as a platform to expand my skills and knowledge as a Graphic Designer and Motion Graphics Enthusiast.

Teach for India (TFI)   July 2018 - Jan 2019

Graphic Design Intern

Design Print Materials such as posters, brochures, banners and media assets. The aim of this campaign was to create awareness among engineering students on their social responsibilities

WORK EXPERIENCE

Microsoft   Sep 2020 - present

Technical Support Engineer

Joining as an ASPIRE Hire Intern, it was a great journey where I got exposed to various products and services within Azure.
